

**THE VECTOR SEARCH**  
**CONFERENCE**  
**2025**

**Prospectus**

June 6

[#VectorSearchCon](#)

VectorSearch Conference 2025 is a premier event dedicated to the latest innovations and trends in vector search technology.

As the first conference bringing together the global vector search community, it unites researchers, engineers, and industry leaders to explore cutting-edge advancements, best practices, and real-world applications in similarity search, retrieval-augmented generation (RAG), and AI-powered search solutions.

The event fosters collaboration, knowledge exchange, and networking opportunities, providing a platform to shape the future of high-performance search and retrieval systems.

## Virtual Conference. 100% Free

**1,500+** Registrants

**1,500+** Recordings Views

**150,000** Marketing Reach

**15+** Key Industry Experts

**20+** Talks

**1 Day, 1 Track**

# Why Attend VectorSearchCon 2025?

 **Global Reach** – Our online format ensures a worldwide audience, connecting experts and practitioners from all corners of the industry.

 **Cutting-Edge Insights** – Our Program Committee curates sessions that provide actionable takeaways, empowering attendees to implement the latest advancements in vector search, retrieval-augmented generation (RAG), and AI-powered search.

 **Showcase Your Innovation** – Present your product, research, or technology to an engaged audience passionate about high-performance search and retrieval solutions.

 **The Vector Search Community** – Be part of a rapidly growing network of developers, engineers, and AI/ML researchers shaping the future of vector search.

 **Highly Skilled Attendees** – 40% of our participants are senior-level professionals with over a decade of experience in search, AI, and database technologies.

 **Year-Round Visibility** – Sessions are recorded and actively promoted on social media, ensuring continued exposure for speakers, sponsors, and contributors.

# Key Topics

 **High-Performance Indexing & Search**

 **Retrieval-Augmented Generation (RAG)**

 **Scaling Vector Database**

 **Multimodal Search**

 **AI & Machine Learning in Search**

 **Open-Source Vector Search Tools**

 **Hybrid Search: Combining Vectors & Keywords**

 **Security & Privacy in Vector Search**

 **Cloud-Native Vector Search**

 **Edge & On-Device Search**

 **Vector Search in Databases**

 **Personalization & Recommendation Systems**

 **Infrastructure & Engineering for Vector Search**

 **Future Trends in Vector Search**

# Expected participants

## Countries

## Job Level

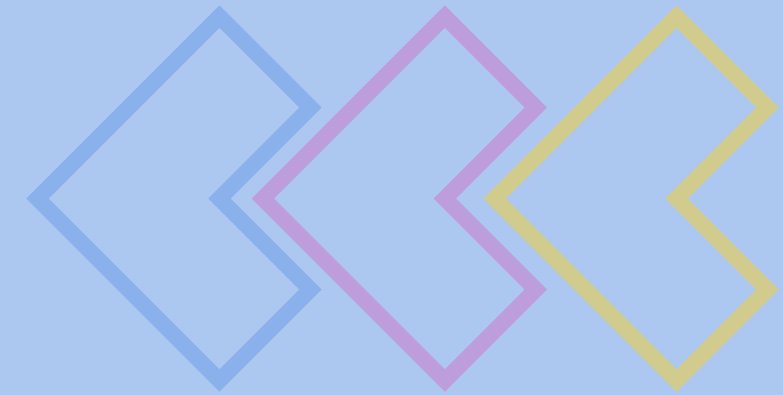

## Specialization

# Sponsorship Packages

## Presenting Sponsor (Invite Only)

\$12,000

### Conference is brought to you by X...

- Registrants and attendees contacts
- Logo on the t-shirt for speakers
- Social media mentions
- Premier placement on conference videos and recordings
- Short promo video between sessions
- Premier placement on the conference website
- Newsletter highlight pre-conference
- Information about attendee engagement per the sponsor session

### After the event:

- Talks transcription on the website
- Branded webinars during 2 months after the main event

## Gold Sponsor \$6,000

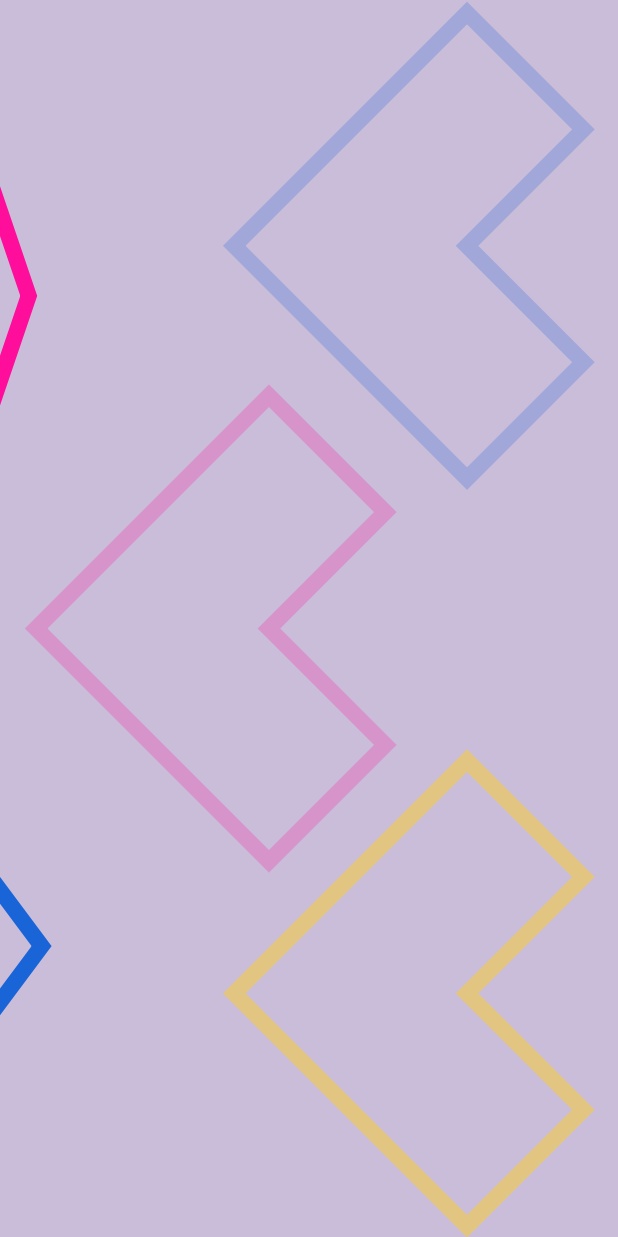

- Five-minute promo inside talk
- Logo on the conference website
- Logo on conference videos and recordings
- Social media mentions (group)
- Newsletter highlight pre-conference
- List of attendees of the sponsor talk
- Information about attendee engagement per the sponsor session

### After the event:

- Company talk transcription on the website

## Silver Sponsor \$4,000

- Logo on the conference website
- Logo on conference videos and recordings
- Social media mentions (group)
- Newsletter highlight pre-conference

## Bronze Sponsor

**\$2,500**

- Logo on the conference website
- Social media mentions (group)
- Newsletter highlight pre-conference

## Media Sponsor

**Free\***

- Logo on the conference website
- Social media mentions (group)

\* Only for communities, podcasts, tech newsletters, blogs, and other media platforms.
